**DesignerWall® Modular Fence System**

# designerwall®

by Bondor®

## Your Boundaries, Define Your Style

The DesignerWall® Modular Fence is the new era of sophistication and innovation in home design. This ultimate fence system by Bondor® will transform your space and create a guardian of your sanctuary.

DesignerWall® is the perfect blend of aesthetics and functionality providing privacy, security and acoustic properties for a peaceful living experience. Choose from a range of designer styles, textures and finishes to complement your home.

Built with strong, durable lightweight insulated panels that are made from COLORBOND® Steel.

### Trusted Suppliers

Manufactured using only BlueScope® Steel for our panel skins ensures quality Australian steel products and transparent and reliable warranties.

### Genuine Australian Steel

DesignerWall® is manufactured using two layers of genuine COLORBOND® steel with ACTIVATE Technology.

### Australian Standards

Industry leading span lengths achieved by rigorous physical lab tests by NATA certified labs to Australian Standards.

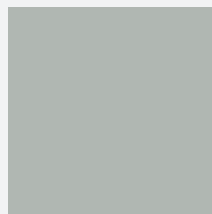

# DesignerWall® Module Properties

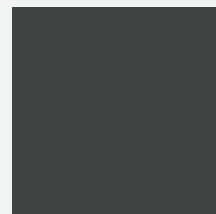

<b>Module Column Centre Spacing</b>	2400, 3000
<b>Module Panel Width (mm)</b>	2300, 2900 (other sizes available min. order required)
