

Transform Your Second Storey with LuxeWall by Bondor® Insulated Walling Panels

luxewall®
by BONDOR

Why Choose LuxeWall by Bondor® for Your Second Storey?

LuxeWall by Bondor® is an innovative walling solution for a second storey addition or renovation. Discover the unmatched features and benefits that make LuxeWall™ the preferred choice for homeowners and builders alike.

Faster to Install

Benefit:

The lightweight and modular design of LuxeWall panels makes them incredibly easy to handle and install, even in tight spaces. Achieve professional results with minimal effort.

Premium Pre-Finished

Benefit:

LuxeWall panels come pre-finished, eliminating the need for additional painting or coating. This not only saves time but also ensures a perfect finish every time.

Cost Effective

Benefit:

Reduce your construction time significantly with LuxeWall panels. Our pre-fabricated design ensures quick and efficient installation, helping you complete projects faster and reduce labour costs.

Strong, durable and solid with Cranked Corner Design

Benefit:

Our unique cranked corners provide seamless integration and superior aesthetics, enhancing the overall look and durability of your second storey.

NCC 2022 Compliant

Benefit:

LuxeWall panels meet the latest National Construction Code (NCC) 2022 requirements, ensuring your building project complies with all relevant standards for safety and performance.

Great Looking

Benefit:

Our insulated panels offer a range of colours, profiles and architectural finishes that will enhance the curb appeal and value to your property.
